Here is the final submission for the 2012 ELC Cooperative Agreement. Ann will send out the budget narrative in a separate email. If I have missed anyone please forward this to them.

This grant is requesting \$3,451,397.00. We responded to 14 components in 124 pages with more than a dozen contributors – each with a style of writing all their own.

I could give out prizes for most pages, most words used, best follower of directions, most well written, most succinct, earliest response, latest response – but I will refrain.

I do want to thank everyone who contributed especially Ann McNamara (I truly don't know how she keeps all the numbers straight) and wish you all good luck in your requests.

Have a good weekend..... I know I will.

Pat
